To Our Customers:

We at **Southwest Marine** are proud of our accomplishments since 1986.

We are persistent in reminding ourselves our most important ingredient for success is you...the customer.

Because we value your business, quality customer service is a priority. If you aren't satisfied with the products you receive from **Southwest Marine**, we have not done our job.

Our commitment is to offer you the quality and performance in remanufactured products that to this day have been associated with new.

We re-build our products to last. You will be convinced once you have experienced the quality.

Sincerely,

Greg Peterson
President

Southwest Marine is dedicated to the remanufacture of Powerheads, Upper and Lower Gear Cases, and Complete Drive Assemblies of the most recognized and highly respected names in the powerboat engine industry.

Our policy is to maintain the highest standards. We are continually striving to expand and improve our products and services to meet the needs of our customers.

After 15 years of continual growth and capital investment, **Southwest Marine** has achieved recognition in the industry for excellence in quality of workmanship and product integrity.

Southwest Marine recognizes the industry's demand for effective low cost-alternatives for powerboat engines and components. That is why our company is committed in utilizing the finest equipment available, the latest technology and highly trained and qualified professionals. We Re-BUILD to last.

It's what sets us apart.

**REMANUFACTURED POWERHEADS AND GEARCASE ASSEMBLIES
15 MONTHS RECREATIONAL
30 DAY COMMERCIAL**

We warrant that Southwest Marine's products have been remanufactured/reconditioned free from defects in materials and workmanship.

This warranty extends to the original purchaser commencing upon date of installation and transferable to subsequent owners of the same Southwest Marine, Inc. product for a period of 15 months, 30 days commercial.

All warranty claims must have a Return Authorization Number, issued by us, written on the outside of the container. Disassembly of any Southwest Marine, Inc. product without prior approval will void your warranty claim.

The claimant must provide a valid invoice, receipt or service ticket, which identifies the part and/or accessories and the date of purchase. Also, the purchaser must provide the part number and serial number, along with a written statement declaring the specific use for each part, what was installed, including boat and engine model and serial numbers, purchaser's name and address, whether part was installed by a qualified mechanic/technician, or by the purchaser, and the suspected reason for the failure of the part.

A completed warranty registration card, supplied by Southwest Marine, Inc., must be returned to Southwest Marine, Inc., by purchaser only upon transfer of our product.

This warranty, for obvious reasons, does not cover any product that has been subject to rust or corrosion, alteration or modification, accident, negligence, neglect (i.e., lack of lubrication), misuse, or alteration or removal

of model or serial numbers. Powerhead warranty claims due to pre-ignition and/or detonation will not be honored. All products submitted for a warranty claim must have been properly installed, operated, and maintained, and not used other than that which has been expressly recommended.

Any warranty implied by law is limited to the duration of this warranty. Southwest Marine, Inc., shall not be liable for any incidental or consequential damages for breach of any express or implied warranty relating to the products other than those provided herein.

Southwest Marine, Inc., limits the obligations under this warranty to the repair or replacement (our option) of the defective part(s). We further reserve the right to repair or replace (our option) any other parts that are damaged as a result of defects in material or workmanship at ***\$45 per hour (labor charge). Reimbursement for shipping of returns will be at ground service prices only!***

This warranty is in lieu of any other warranty. There are no obligations or liabilities on the part of Southwest Marine, Inc., other than those stated herein and this shall serve as the claimant's exclusive remedy.

All products covered hereby are sold in the State of Florida and this warranty shall be interpreted only according to the laws of the State of Florida. Venue for any proceedings concerning this limited warranty shall be in Lee County, Florida.

Southwest Marine, Inc. accepts Visa, MasterCard, and Discover, cashier's checks and bank wire transfers as payment for our products.

Prices quoted herein supersede all previous prices and are subjected to change without notice, verbal or written.

All legal and collection fees related to past due amounts are the responsibility of the dealer/purchaser.

Core Exchange Policy and Procedure

Dealer Cost: Price with no core exchange

Dealer Cost w/ Exchange: Price which includes a core exchange.

Southwest Marine, Inc.'s policy on core exchange is as follows:

- Five to ten days after unit is shipped, Southwest Marine, Inc. will issue a pickup request for the core. If the core is not ready for pickup within this time frame, Southwest Marine, Inc. should be notified *as soon as possible* so that another pickup request can be issued.
- If Southwest Marine, Inc. does not receive the core within thirty (30) days, an invoice will be issued for the core charge. This balance will be due within thirty (30) days from the date the invoice was issued.
- A checklist for all core returns will be included in the shipment of the unit. This checklist should be returned with the core and marked accordingly. **All parts must be in the core regardless of condition. Missing parts will be charged at 50% of core value.**
- **All core shipping costs will be incurred by the dealer/purchaser.**
- \$20 charge on all returned checks
- 15% restocking fee for returns

**REMANUFACTURED POWERHEADS AND GEARCASE ASSEMBLIES
15 MONTHS RECREATIONAL
30 DAY COMMERCIAL**

We warrant that Southwest Marine's products have been remanufactured/reconditioned free from defects in materials and workmanship.

This warranty extends to the original purchaser commencing upon date of installation and transferable to subsequent owners of the same Southwest Marine, Inc. product for a period of 15 months, 30 days commercial.

All warranty claims must have a Return Authorization Number, issued by us, written on the outside of the container. Disassembly of any Southwest Marine, Inc. product without prior approval will void your warranty claim.

The claimant must provide a valid invoice, receipt or service ticket, which identifies the part and/or accessories and the date of purchase. Also, the purchaser must provide the part number and serial number, along with a written statement declaring the specific use for each part, what was installed, including boat and engine model and serial numbers, purchaser's name and address, whether part was installed by a qualified mechanic/technician, or by the purchaser, and the suspected reason for the failure of the part.

A completed warranty registration card, supplied by Southwest Marine, Inc., must be returned to Southwest Marine, Inc., by purchaser only upon transfer of our product.

This warranty, for obvious reasons, does not cover any product that has been subject to rust or corrosion, alteration or modification, accident, negligence, neglect (i.e., lack of lubrication), misuse, or alteration or removal

of model or serial numbers. Powerhead warranty claims due to pre-ignition and/or detonation will not be honored. All products submitted for a warranty claim must have been properly installed, operated, and maintained, and not used other than that which has been expressly recommended.

Any warranty implied by law is limited to the duration of this warranty. Southwest Marine, Inc., shall not be liable for any incidental or consequential damages for breach of any express or implied warranty relating to the products other than those provided herein.

Southwest Marine, Inc., limits the obligations under this warranty to the repair or replacement (our option) of the defective part(s). We further reserve the right to repair or replace (our option) any other parts that are damaged as a result of defects in material or workmanship at ***\$45 per hour (labor charge). Reimbursement for shipping of returns will be at ground service prices only!***

This warranty is in lieu of any other warranty. There are no obligations or liabilities on the part of Southwest Marine, Inc., other than those stated herein and this shall serve as the claimant's exclusive remedy.

All products covered hereby are sold in the State of Florida and this warranty shall be interpreted only according to the laws of the State of Florida. Venue for any proceedings concerning this limited warranty shall be in Lee County, Florida.

We warrant that Southwest Marine's products have been remanufactured/reconditioned free from defects in materials and workmanship.

This warranty extends to the original purchaser commencing upon date of installation and transferable to subsequent owners of the same Southwest Marine, Inc. product for a period of 15 months, 30 days commercial.

All warranty claims must have a Return Authorization Number, issued by us, written on the outside of the container. Disassembly of any Southwest Marine, Inc. product without prior approval will void your warranty claim.

The claimant must provide a valid invoice, receipt or service ticket, which identifies the part and/or accessories and the date of purchase. Also, the purchaser must provide the part number and serial number, along with a written statement declaring the specific use for each part, what was installed, including boat and engine model and serial numbers, purchaser's name and address, whether part was installed by a qualified mechanic/technician, or by the purchaser, and the suspected reason for the failure of the part.

A completed warranty registration card, supplied by Southwest Marine, Inc., must be returned to Southwest Marine, Inc., by purchaser only upon transfer of our product.

This warranty, for obvious reasons, does not cover any product that has been subject to rust or corrosion, alteration or modification, accident, negligence, neglect (i.e., lack of lubrication), misuse, or alteration or removal

of model or serial numbers. Powerhead warranty claims due to pre-ignition and/or detonation will not be honored. All products submitted for a warranty claim must have been properly installed, operated, and maintained, and not used other than that which has been expressly recommended.

Any warranty implied by law is limited to the duration of this warranty. Southwest Marine, Inc., shall not be liable for any incidental or consequential damages for breach of any express or implied warranty relating to the products other than those provided herein.

Southwest Marine, Inc., limits the obligations under this warranty to the repair or replacement (our option) of the defective part(s). We further reserve the right to repair or replace (our option) any other parts that are damaged as a result of defects in material or workmanship at ***\$45 per hour (labor charge). Reimbursement for shipping of returns will be at ground service prices only!***

This warranty is in lieu of any other warranty. There are no obligations or liabilities on the part of Southwest Marine, Inc., other than those stated herein and this shall serve as the claimant's exclusive remedy.

All products covered hereby are sold in the State of Florida and this warranty shall be interpreted only according to the laws of the State of Florida. Venue for any proceedings concerning this limited warranty shall be in Lee County, Florida.

Experience the Best.
